*Available on 30" and 35" only

Convert a drafty, wood-burning fireplace into an efficient, beautiful focal point by installing a Majestic gas fireplace insert in just three easy steps.

Ruby 35" with Contemporary Arch front and surround in bronze with Tavern Brown interior.

STEP 1: Measure your existing fireplace opening and choose your insert

The height, width and depth of the existing fireplace opening is needed to ensure an appropriately sized insert is selected.

- A. Fireplace front width _____
- B. Fireplace front height _____
- C. Fireplace back width _____
- D. Fireplace depth _____
- E. Hearth to mantel height _____

STEP 2: Select your surround and front

A surround fills the gap between the fireplace insert and existing fireplace opening. Choose from three sizes and two finishes for a unique look.

Personalize your insert with a front that fits your style. Select from three styles and two finishes.

SURROUND SIZE	RUBY35IN	RUBY30IN JASPER30IN	RUBY25IN
Small	42" x 29"	40" x 27"	35" x 23"
Medium	44" x 32"	42" x 30"	37" x 26"
Large	48" x 32"	44" x 32"	39" x 28"

Front and Surround Finishes

Black

Bronze

STEP 3: Select your options to customize your insert

Choose from our collection of interior panels, contemporary conversion kits and interior media to put the finishing touches on your insert.

Technologies

Ruby Series

IntelliFire™ Touch Ignition System

IntelliFire Touch is the most advanced and intuitive IntelliFire system, making operating your fireplace simple, smart and safe.

Jasper

IntelliFire Ignition System

IntelliFire features intermittent-pilot ignition (IPI) allowing you to conserve fuel and money when the fireplace is not in use.

Direct Vent Technology

Direct Vent gas inserts remove 100% of combustion exhaust and fumes to the outside of the home. These sealed fireplaces provide optimal heat, conserve energy and ensure clean, safe indoor air quality.

Your Majestic Dealer:

Limited Lifetime Warranty³

The strongest in the industry, Majestic provides a limited lifetime warranty on the most important aspects of our gas-burning products: firebox and heat exchanger.

1 Order a conversion kit when using LP. 2 Refer to installation manual for zero clearance install guidelines. 3 For full warranty details go to majesticproducts.com. The information provided in this literature is for planning purposes only and subject to change. Please consult the installation manual for actual installation. Actual product appearance may differ from product images. Fireplace, stove and insert surfaces get extremely HOT and can cause severe burns if touched. Keep a safe distance away.
