Monessen Vent Free Gas Logs and Contemporary Media

WARMTH. AMBIANCE. CONVENIENCE.

MONESSEN

Magnum (MCUF36) firebox with Moxie log set

Lo-Rider See-Through (LSTF36) firebox with Natural Blaze See-Through Log Set (NBST27)

THE BENEFITS OF CHOOSING MONESSEN

All of our vent free gas log sets and burners offer:

THE REAL DEAL

Inspired by nature and hand-painted for incredible realism and lifelike detail, every set has a truly unique and authentic look.[1]

THE LATEST TECHNOLOGY

A pioneer in vent free gas log manufacturing, Monessen is always on the cutting edge of log design. We utilize the latest material and technologies to provide authentic detail, lifelike glow, and unmatched realism.

MAXIMUM SAVINGS

With a remarkable 99% efficiency rating, Monessen vent free gas log sets maximize heating operation to provide optimum fuel savings.

INSTALL ALMOST ANYWHERE

Our log sets allow for installation in any existing approved firebox without the need for venting — making them a terrific choice for just about any room in your home. (All available for natural gas or propane.)

Charisma log set (MX) shown on cover

LUXURY SERIES

MOJO BURNER

Our designer log set offers up to 38,000 BTUs, instant dancing yellow flames, flickering embers and standard grate for an incredibly realistic look. Its robust design makes the Mojo the perfect choice for larger fireplaces.

Mojo Vent Free Log Set (MJ27/MJ22) ▶

- EXCLUSIVE Natural Blaze™ Technology
- Massive random stack log set
- Burncrete® technology provides unparalleled detail and superior strength for long lasting beauty
- Hi/Lo thermostatic remote control
- Available in two sizes, 27" and 22" to fit most fireboxes
- Includes Hi/Lo thermostatic remote control, grate, volcanic rock, rock wool and neon embers

SPECIALTY OPTION

NATURAL BLAZE BURNER

For see-through fireplaces, this log set has a unique design on both sides for a truly authentic stack, no matter how you look at it.

See-Through Log Set (NBST27) ▶

- EXCLUSIVE Natural Blaze Technology
- Ceramic fiber reflects more heat
- Available in millivolt control
- Includes volcanic rock, rock wool embers and ember bed log switch

DELUXE SERIES

NATURAL BLAZE BURNER

Our Beachcomber, Riverwood, Kentucky Wildwood, Stony Creek, Highland Oak and Berkley Oak log sets feature three log material options, exclusive technology from Monessen, and a more robust look, making them perfect for larger fireplaces. No chimney or venting makes installation fast, easy and affordable in almost any space.

All Deluxe Series vent free log sets feature:

- EXCLUSIVE Natural Blaze Technology
- EXCLUSIVE Signature Command® system or millivolt control
- Cast iron grate standard with burner
- Volcanic rock, rock wool embers and ember bed log switch

EXCLUSIVE Natural Blaze Technology

This innovative burn system provides taller, more lively flames, creating a realistic, moving fire. Achieving beautiful yellow flames instantly, Natural Blaze technology produces an authentic fire, every time.

EXCLUSIVE Signature Command System

With electronic ignition, this system lights the pilot only when you turn it on, saving energy. It's battery operated, so you can be assured of fireplace operation even if the power goes out. And with three-step flame height adjustment and optional touchscreen remote, you'll have the ultimate in fireplace control at your fingertips.

Lo-Rider (LCUF) firebox with Stony Creek log set with enhancement kit

BURNCRETE® TECHNOLOGY

Unparalleled detail and superior strength for lasting beauty.

▲ Beachcomber Log Set (BC-R)

- Driftwood style six-piece log set with serene colors, rich detail and an authentic stack

CERAMIC FIBER TECHNOLOGY

Glowing logs, just like a real wood fire.

▲ Berkley Oak Log Set (BO-R, BO-F)

- Seven-piece log stack available in three sizes provides a beautiful focal point in almost any room

Berkley Oak is also available in refractory

REFRACTORY CEMENT TECHNOLOGY High definition for fine detail and ultimate realism.

▲ Stony Creek (SC-R)

- Taller, eleven-piece log stack is perfect for bigger fireplaces
- Enhancement kit available with two additional logs

▲ Highland Oak Log Set (HO-R)

- Beautiful, seven-piece log stack and low profile design for a true glowing ember look

TRADITIONAL SERIES GLOW GETTER BURNER

When it comes to your home, don't settle for ordinary. The new Moxie and Charisma logs from Monessen are a cut above. Featuring beautiful detail, fabulous glow and abundant heat, the Moxie and Charisma bring bold traditional style to your space.

Both Traditional Series vent free log sets feature:

- New Burncrete® hybrid technology provides sharp detail and glowing logs
- Exclusive Glow Getter burner technology boasts dancing multi-peak flames and a glowing, active, ember bed
- Hand-painted details create the authentic look
- Gorgeous colors and beautiful detail complement any décor
- No chimney or venting required makes installation fast, easy, and affordable
- Includes volcanic rock, rock wool embers and ember bed log switch

▲ Moxie Log Set (MX)

- Split oak style eight-piece log stack looks like you chopped it yourself

▲ Charisma Log Set (CR)

- Whole log style with natural bark detail – so authentic its indistinguishable from the real thing

LYRIC CONTEMPORARY LYRIC BURNER

Meet the Monessen Lyric—a touch of shimmer, a bit of shine, flames that move and flicker adding romance and richness to your room. In harmony with your home, the Monessen Lyric looks great on or off and, with simple millivolt control, works even when those raging winter storms zap the power. Auto-spark ignition and remote ready control make operation effortless.

◀ Lyric (LYR)

- Sleek black burner blends perfectly with your hearth
- Flames erupt throughout bed of shimmering fireglass
- Up to 37,000 BTU of super-efficient heat
- Auto-spark ignition for effortless lighting
- Three sizes to fit any fireplace
- Four fireglass media options (Onyx comes standard)
- Remote ready

CLASSIC SERIES EYF & PH BURNERS

These log sets feature burners with flames in the front and rear, adding warmth and ambience to any room.
